

Supporting an Enriched Student Experience

At Oak Crest Middle School, every student has opportunities to develop academically, explore the arts, and connect with new interests. Our school continues to face challenges due to a gap between public funding and what our teachers and staff need to ensure our students are getting the best middle school experience.

The Oak Crest Parent Foundation (OCPF) is requesting a donation of \$150 per student.

Your donation helps ensure teachers have the supplies they need, and that they can bring new technology, creativity, and enriching experiences to the classroom.

Thank you for supporting Oak Crest Middle School. To view a list of items funded for the 2021-2022 school year, visit www.oakcrestparentfoundation.org.

Areas OCPF expects to support in 2021-2022 include:

- Student, classroom, and staff supplies
- Parent forums
- Materials for Learning Commons
- Campus beautification
- Homeroom and club support
- Student assemblies
